

*A time to rediscover
the joy in your marriage...*

Marriage Encounter Weekend #10

Most of our marriages began with a

- Perfect day
- Perfect ceremony
- Perfect dress
- Perfect reception

But then, as time passed, something happened to that perfection ... life got in the way. The competing pressures of family and work. The added responsibilities of children and perhaps aging parents. The stress and uncertainty of changing careers, changing cities or moving to a new country.

The Catholic Marriage Encounter Weekend is a time to learn a powerful tool to use in communicating with each other, within yourselves, and with our Lord Jesus Christ. It is a process that places God at the centre of your married life.
